Re-inventing the wheel?

“What ever happened to that
Oil & Gas UK ICT Group?”

Potential Sponsors

- Oil & Gas UK
- Norwegian Oil Industry Association (OLF)
- Collabro
- Energy Industry Council (EIC)
- Member companies

Group's Remit

- Promote best practice in the delivery of broadband telecommunications services to the energy sector operating in the UKCS.
- Act as a catalyst for technical and regulatory developments in broadband services, relevant to the North Sea environment.
- Facilitate the dissemination of relevant information relating to broadband telecommunications to member organisations and other interested parties.
- Encourage cross-industry initiatives and shared learning
